11:45-12:00	Wrap up Ted Schuur
12:00-1:00	Lunch

Afternoon sessions will focus around two discussion periods. The first will focus on new or ongoing synthesis products; the second will focus on new products that make links between working groups. These products will be introduced in the morning session with time for discussion, input, and planning in the afternoon.

PM

1:00-2:00	Discussion round 1 (new products)
2:00-3:00	Discussion round 2 (connection between working groups, upscaling, model validation)
3:00-3:30	Break and Organizing notes
3:30-4:30	Discussion round summaries
4:30-5:00	Wrap Up
